

# **The Second Announcement**

## **The 5th AONSA Neutron School**

**(The 9th AONSA EC Meeting & Director Meeting)**

**October 23 – 28, 2012**

**Zhongguanyuan Global Village, PKU**

**Beijing, China**

### **Introduction**

From 23-28 October 2012, the 5<sup>th</sup> Asia-Oceania Neutron Scattering Association (AONSA) Neutron School will be held in Beijing China. During the time, the 9<sup>th</sup> AONSA EC Meeting will be held on 27 October.

This school provides training for newcomers to neutron scattering. We will not only have lectures, but also practical sessions with on site visit and data analysis. All neutron techniques (available at CARR) will be covered in the school, i.e. powder diffraction, single-crystal diffraction, strain scanning, small-angle scattering, reflectometry, and inelastic scattering using triple-axis spectrometers.

### **Venue**

Chemistry Building, Peking University, Beijing, China

## Participation Fee

Participants will be asked for a course fee of \$400. This includes 5 nights, all meals, a Great Wall Visit and all learning activities. Accommodation will be shared double room, a single room will be at extra cost.

Fees are in US dollars and are payable by bank transfer in US currency. **The deadline of payment is 30 September.** Payment by credit card, international money order, or bank draft is not possible. See Bank Information below.

1. A/C holder's name: **Wenze HAN**
2. Address of beneficiary: **Beijing P.O.BOX 275(30), Fangshan District, Beijing 102413, China**

## Financial Supports

Financial Supports from IAEA and AONSA for international travel are available for students from developing countries and the registration fee are waived for the grantees. The students who get the financial support can purchase the round trip tickets (economic class) by themselves and will get the reimbursement after submitting the scanning copy of the tickets, the ticket receipts, and the travel itinerary to the school.

## Accommodation

The meeting hotel, Zhongguanyuan Global Village-Peking University (<http://www.pkugv.com/English/index.asp>) is close to the Chemistry Building of Peking University. The room rate is about 400 RMB (about 70US dollars). If you want us help make a reservation, please fill out and send the registration form to the meeting e-mail box ([aonsa@yahoo.cn](mailto:aonsa@yahoo.cn)) **before 20 September.**

We will also provide the meals to the lecturers of the neutron school.

## Transportation

Peking university is located at the north west of Beijing. You can arrive the meeting hotel (Zhongguanyuan Global Village, Peking University) by taxi, airport shuttle or subway. The detailed map and the routes are included in the attached document.
